Visualized genre trends, ratings, and popularity.

Crime in LA (Power BI)
Analyzed crime data by district and time using interactive dashboards.

CAREER OBJECTIVE

Early career data analyst with hands-on experience delivering dashboards, recurring reports, and actionable insights to support data-driven decision-making. Skilled in SQL, Excel, Tableau, Power BI, Python, workflow automation, with a strong foundation in data accuracy, reporting, and cross-functional collaboration. Currently completing a B.S. in Data Analytics and Programming.

WORK EXPERIENCE

Meritage Homes

People Operations Data Analytics Intern

August 2025 - Current Scottsdale, AZ

Description

Managed and analyzed people operations data to support business goals, ensuring data accuracy and regulatory compliance across internal systems. Built automated dashboards with scheduled data refreshes and delivered recurring reports to cross-functional teams, providing reliable insights for operational and business decisions.

Key Achievements

- Built and launched automated dashboards used by internal teams to track key people metrics, improving data accessibility and decision-making.
- Prepared and delivered recurring reports for multiple teams, ensuring accurate people operations insights while improving reporting efficiency and visibility.

Edelman Financial Engines

Recordkeeper Trading Specialist

April 2024 - March 2025 Phoenix, AZ

Description

Managed financial documentation to ensure regulatory compliance while maintaining data accuracy across internal systems. Collaborated with cross-functional teams to streamline workflows, resolve discrepancies, and improve reporting processes.

Key Achievements

- Created over 5 standardized process documents, improving workflow clarity and reducing repetitive errors by approximately 20%.
- Developed onboarding materials that supported training for 10+ new employees and shortened ramp-up time by approximately 30%.
- Contributed to a new-hire welcome initiative that improved team integration and increased positive onboarding feedback by 15%.

Gyros Express

Operations Manager

August 2021 – April 2024 Scottsdale, AZ

Description

Oversaw daily restaurant operations, ensuring efficiency and consistency across shifts. Tracked inventory using Excel and conducted weekly stock checks to prevent shortages. Trained and onboarded new employees by creating clear procedures for cleaning, POS use, and counterfeit bill detection. Improved team performance through structured workflows and hands-on support.

Key Achievements

- Contributed to a 25% increase in positive Yelp reviews by enhancing customer experience through improved service standards and team training.
- Maintained high health and safety standards, earning an A rating on 100% of health inspections during tenure.
