Professional Experience

Meritage Homes

Scottsdale, AZ

People Operations Data Analytics Intern

August 2025 – Present

- Develop and maintain three automated Power BI dashboards used by People Operations teams to track workforce metrics and reduce recurring report preparation by approximately four hours per week.
- Clean, validate, and analyze HR data across UKG and other internal systems to improve reporting accuracy, data consistency, and compliance.
- Prepare recurring reports for cross-functional partners, translating complex HR data into clear, actionable business insights.

Edelman Financial Engines

Scottsdale, AZ

Recordkeeper Trading Specialist

April 2024 – March 2025

- Maintained and verified financial documentation and internal records in a regulated environment, supporting data accuracy and compliance requirements.
- Standardized five process documents, improving workflow clarity and reducing repetitive errors by approximately 20%.
- Developed onboarding materials for more than 10 employees, reducing ramp-up time by approximately 30% and improving training consistency.

Gyros Express

Scottsdale, AZ

Operations Manager

August 2021 – June 2024

- Directed daily operations, inventory management, staff training, and customer service workflows to improve consistency across shifts.
- Monitored inventory in Excel to reduce shortages and standardized POS, cleaning, cash-handling, and shift procedures to improve operational consistency.

Projects

Housing Affordability Analysis | Power BI, Excel, Data Modeling

- Built a Power BI dashboard using Zillow and U.S. Census data to compare home-value and household-income growth in Peoria from 2015 to 2025 and evaluate changes in housing affordability.

Los Angeles Crime Analysis | Power BI, Excel, Data Extraction

- Analyzed more than 1 million Los Angeles crime records from 2020 to 2024 and developed an interactive Power BI dashboard with filters for location, date, time, and crime category.
